WORKING TOGETHER TO MAKE GOOD CHANGE

LEAN dot Melbourne is an On & Off-line Not-for-Profit organisation whose purpose is to promote the use of Lean principles, methodologies and thinking in Melbourne, Victoria & beyond.

Our Members will have the opportunity to network, learn and take part in 4 Live Lean Practice events per year including 2 Community Kaizens to support Social Enterprises, NGOs or organisations in need in Victoria.

Get involved today to help shape the future of our local Lean community.
